

PROCLAMATION

CITY OF RICHARDSON, TEXAS

WHEREAS:

The United States, which once had some of the highest graduation rates of any developed country, now ranks 22 out of 27 developed countries, with over 1.2 million student drop outs every year; and

WHEREAS:

Over 60 percent of all students entering higher education are required to complete developmental math courses and 70 percent of community college students never complete the require mathematics courses, blocking their way to higher education credentials and inevitably, a wide array of technical careers; and

WHEREAS:

It is vital that the children in our community are given all the tools necessary to help them succeed in all areas of STEM (Science Technology Engineering Mathematics) education; and

WHEREAS:

The City of Richardson enthusiastically supports STEM education among our youthful citizens; and applauds Kenneth Everett for his dedication to making his Math Revolution algebra concepts so simple that children as early as age 3 can begin mastering algebra.

NOW, THEREFORE,

I, Laura Maczka, Mayor of the City of Richardson, Texas, do hereby proclaim the month of November 2014 to be:

KENNETH EVERETT MATH REVOLUTION
NO PENCIL, NO PAPER, NO CALCULATOR
MATH AWARENESS MONTH

in Richardson, Texas, and extend best wishes for a successful Math Revolution Step/Dance Contest.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the City to be affixed on this 10th day of November 2014.

72

Laura Maczka
Mayor, The City of Richardson
